Re: Request for Records

Dear Mr. Kramer,

The South Dakota Department of Social Services received your written request for public records dated October 26, 2012. It appears that you are requesting the same information that you requested in 2010.

An electronic copy of U.S. Senator Grassley's request for the top ten Medicaid prescribers of Abilify, Geodon, Risperdal, Seroquel, Zyprexa, Xanax, etc for 2008 and 2009 and our response to his letter.

As such, since the statutes regarding public records have not changed since our last response to you, we are forwarding a copy of our November 10, 2010 letter as a response to your request. Please refer to the attached letter for further details.

Sincerely,

A handwritten signature in black ink, appearing to read 'Daniel J. Todd'. The signature is fluid and cursive, written over the printed name 'Daniel J. Todd'.
